and that the "nigger," when free is a naisance

which ought not to be tolerated. Hancock :s

he inclosed a slip from the Herold,

often the case—to answer with reaon and argument. The political despotism is now no more defensible than van the despotism of slavery. In fact it is fution, while the present desposition to which men like Hampton owe, helr position, s built upon open hullification and defiance northern states. Unless all signs are at fault, of the constitutional amendments. And just a southern men could not andere to seve on truth told in relation to shortly shift the ver, so now they are negretively benical despotism which they have ertabished in violation of the constitutional ts is denotineed said exposed. And a Hampton, renewing the old stuster, wants o fight. In this exhibition of ballied rage have to no great home. Only it may be said these schemes the one we suppose to he the nor contributing the best arguments of the

ple of these states are going to say just what they think: fit and right allowable inique ties could no longer be browbeaten "or initialed";

vestment, they could not to be undertaken at
all. Our legislature has been beselfed at
every semined rebellion. Semestary Sherrian
every semine for a dozen years for favors for of organised rebottion: Sometary bourt has now denounces the harbarous sists of south; street in the harbarous sists of south; street in the champions of that barbarium, responds in the champions of that barbarium, responds in a manner white goes further the bands in the champions of that barbarium, responds in a manner white goes further the bands to the truth of Sherman's charge tour any other truth of Sherman's charge tour any other which are sixting on it as charge to the truth of Sherman's charge tour any other truth of Sherman's charge to the same of the sam truth of Sherman's charge to any other which are grading on the account and built-proof that could be be a special and yet it is not strange. For two hundred years before the confederate way for a managed by any anishing any other proof by any anishing proof by any anishing with fact rails. pinions and ideas to the politics, the raigthe morality, and all the social relations subject on, the people shook whom it existed. The which he said, was "complete spawer? The which the said was provided by it; slip bryand against the section of any and as this barbarous modely became in my places, and such and as this barbarous modely became in my places, and such and as this barbarous modely became in my ban of an ealightened civilization the world lor's remark in the celebrated Allieon letter: over, it grew constantly many conferrant and 'One who cannot be trusted without pledge savage, knowing it could answer assaits to poon it only by binster, threats, challenger cannot to to be dided in merely on account of upon it only by binster, threats, challenger cannot to to be dided in merely on account of upon it only by binster, threats, challenger in the plant of the plan holds. Hence Hampton's provocation to Shermann business as prefixing 186 (& duel. The old spirit has not yet heap suppressed Indeed it is not to be arperted that a thing of so long growth and so deeply planted would

clusion that the democratic party is not to be trusted will the rebal claims no matter with The sension from Mattnomab made a vig die out in the fifteen years that have slaped since the more of the ware. It will pelle one hundred years yet to be enlighly did of it? The fact that Years sentence and Chanteles may orous protest against the bill to suthorize the Oregonian ra Iway company to commit pub-lic robbery. In this did their full daty, Sen-company and the company of the company rers go un whipt of justice proves more than at southern in the man and the unfaithful of Baker, and a few others. The course of Mears. Biles. Plummer and Mayer of Mult-nomah is also to be commended. It is to be to their trusts. It proves that the society which toleration states which the society cient administration is in that have state of civilization for which such administration nomin, trains to be commended. It is to be requested by the sense thing can not be update for the sense of the country light bene served a manufacture of a purple trust had feat country in Warning sight; trusting them again. Members from Multiffices. Buthitle profe sint with alleying is twelve times, more request in South Grolina than in Messchusette, six times more fre-quent in Kentucky when the Medicine, and nomah, and emocially from the city of Por-land, who would vate to despoil the city of the property to enrich a private and foreign corporation; may all of the people will an ito career at a close. For the people will an Texas han to Mind south A host hand eristic form of savagary is the exhibited in its pacts of violence against the rights of persons. corpo Doubtless southern spoiety it undergoing re-adjustment of its relations to non-slavehold-Just be soon as a sample southern ultering conditions; but it will take a great while is the duty of the suithers state not to be north, has case true in like war. the country, fall cordes the raise of those whom:

egain at the front. Hampton's that-cious north im radical" newspaper, quo'es sold affold: Sharman all orderstifilty them there is trouble. It's a queer world, but just such a quires. No one can do the subject of southern brutality and barbirlem more ample fuetice than John Cherman. The south in this canvass is just where it was in the canvass of twenty years sgu. The spirit of its leaders is precisely that which compelied the Sommer; outrage, carried secession, and precipitated outrage, carried secession, and precipitated opposed to "inager domination and the two, the country into war. That they do not now if elected, or include designated proof to the salutary rememberance of the terrible men. The principles of Lee and Jackson erate passions and purposes, the democratic ethousand and shirts remain in the state party is staggering towards the last ditch.

This exhibition of the old southern spirit, at under the constitution. a time when the public mind is peculiarly Gen. Hancock said some days ago that he a time when sto specified in the intermediate was going to reply to Gen. Grant's statement ther incalculable barn. No one supposes about him. But Belmont, seeing that silence that Secretary Sherman will accept the chalthat Secretary named was accepted to the secretary and the superb solder and the superb of the United States should, and probably will pendicular position. Consequently we have after March, exicl Hampton. That would no explanatory statements about order numbe the fitting result. And this challenge will ber ferty.

try which should expel him.

The Salt Lake Tribine advises emigration ago, as he described from the line of the Northern Pacific rallroad, and says: "That road will traverse a comwhich is better. There will be less heart dison the Pacific coast; that is, in the good old

a workman could make lipins a infinite; now he can make 14,000, within the memory of persons now living pins were costly, and their preservation was these little article; were to-day preserved with would have no use for one-ti ird the number now manufactured -a first which illustrates the effect of cheapness in proboting increased consumption. Europe manufactures 80,000,-000 pins daily, and the United States 51,000,-000. Pins disappear, then, a most wholly by being lost-at the rate of 151,000,000 daily. During the leter years of the rebelilon the soldiers of our armies frequently came upon been for a long time wholly Jestitute of pins. not by any means the least of their sufferings Knowing that he holds a seat in the senste

tions and American citizenship, Wade Hampin will never as now constituted, make and ton can't conduct to have the tust will be done with it, but wants to fail back for vindication on the politics of the past and may affely turn the bloody code of an effeto barbarism to the pritie of the future. A great perade Hampton is an enormous weight in politics CLOAKS. like that of less night is a sign of republican. He alone, on the gipping principles of repulaccumulated results, the gathered fruits of presidential election. No other man can turn for slavery was recognized by the screening in golden to golden and the story of twelfty years. And such demso many votes against his own party. Hanstory while the present despoisant to
constraints are taking place all over the cook can't bring to the party one tenth part of the strength that [Hampion can take from it. they beloken a crushing and final demodratic English is being denounced as a weight to his defeat. But a little time now intervence before the election. Renew the effort and push after the manner of the devil entering into the herd of swine, are ruching the party down the steep into the deep sea. THE great strongth of General Carrield is

Senators Birsch, McConnell and Fulton delivered some very good sense in the discus-sion of Monday on the so-called hill to re-quire in stebangs of traffic by common cardistrict, where the republican majority is of the party. This, look you, is the man with the "bad record," who was going to drag his the "bad record," who was going to drag his party down with hideous ruin to deeps below lowest deeps. Again, look at Indiana. For motive power behind this bill was de-nounced by ar Hirroh as a franchient thing the past ten years, till now, it has given dem-coratte majorities. But now it is redeemed and we have little doubt that he has full in-formations to justify the charge. Construction and openitors of retiroute should be under-taken only as a legitimate and independent business. We company should be permitted to ask of the egislature of Oregon siny layer or adventural second the notifiery wight of by Garfield's name. It is a lesson upon the which all parties ought to head, Mr. Burke, democratic candidate for the Standard Low Prices.

delegateship of Washington territory, her been telling the people they ought to elect beyond the ordinary right of way. If rs needs, at this day, cannot be undertaken as enterprises for legitimate inpolitical opinions will be in scoord with those of the (exsumed) democratic majority in congress. But the great gains of republi-
